Announce Service For Soldier Dead And Living Dec. 6

A patriotic memorial service of tribute to the men and women from Gettysburg and Adams county who are serving in the armed forces of their country and for those who have made the supreme sacrifice during the first year of the war will be held in the Majestic theatre Sunday evening, December 6, at 8:30 o'clock.

This was the unanimous decision of a Gettysburg committee at a meeting in the parlors of the Hotel Gettysburg Monday afternoon.

The service will be open to the public and there will not be an admission or a free-will offering.

Three Faiths

A protestant clergyman, catholic priest and a jewish rabbi will deliver brief eulogies and the Gettysburg College choir, under the direction of Parker Wagnild, will furnish the music.

While the service will be in the nature of a memorial, it will be patriotic in tone and inspirational. It will commemorate the first anniversary of the entrance of the United States into the war, pay tribute to all the men and women from Gettysburg and Adams county in the services; commemorate the memory of those Adams countians, including students at Gettysburg college, who have made the supreme sacrifice or are reported "missing in action" and also pay tribute to the memory of all the Allied soldiers who gave their lives, are missing or prisoners of war, during the first year's engagement.

Hymns of all Faiths

Mrs. Elsie Singmaster Lewars and the Rev. Howard S. Fox will select the protestant clergyman. The Rev. Fr. Mark E. Stock will be asked to select the Catholic priest and Paul L. Roy was directed to invite Dr. Philip David Bookstaber, rabbi of Ohev Sholom Temple, Harrisburg, to represent his faith as the speaker. Mr. Wagnild will be in charge of the musical program which will include anthems and hymns from all faiths.

There will be no specific reference to any one faith during the service but the speakers and the music will be representative of the Allied Nations.

Honor War Casualties

A representative of the Red Cross in the uniform of a nurse, will read brief biographical sketches of the Adams county men who lost their lives during the first year of the war and a member of the military department at the college will read biographical sketches of college men who made the supreme sacrifice during the same period.

The service will begin at 8:30 p. m. to enable those attending their own regular Sunday evening services to reach the theatre in time for the opening selection.

Sydney J. Poppay, manager of the Majestic theatre, advised the committee that the theatre will be available without charge.

Those present at Monday's meeting were the Rev. Mr. Fox, Mrs. Lewars, the Rev. Seth C. Morrow, Parker Wagnild, Dr. Harry P. Baughman, who represented Dr. A. R. Wentz, and Paul L. Roy.

598 Votes Are Cast At 1 P.M.

In line with pre-election forecasts, one of the lightest gubernatorial year votes cast in many years in Adams county was being recorded at the 42 voting precincts in the county today.

Indications up to about 1 o'clock this afternoon were that the vote in the county today will be about half that for 1938. When Governor James was elected. Then about nine of every 10 registered voters in this county cast their ballots. Today probably about four of every 10 are going to the polls.

At 1 o'clock this afternoon 134 voters had balloted in the first ward, first precinct; 126 in the second ward, 193 in the third ward, for a total of 598. At 2 o'clock on election day in 1938, 1,481 votes had been cast in Gettysburg.

Rural townships also reported a light vote. After four hours of voting in Cumberland township only 91 ballots had been cast.

The polls close at 8 o'clock this evening.

Christmas Tree In Square May Replace Street Lights

The possibility that Gettysburg may have a community Christmas tree in center square instead of the type of holiday decorations that were used in the square and first blocks of the main streets during the last several years developed at the November meeting of the board of directors of the Gettysburg Chamber of Commerce, Monday evening.

Vernon Corle, chairman of the special committee on Christmas decorations that was named a week ago, said that a survey of nearby towns and cities showed that none of them will have "decorations as usual." Some are confining their street decorations to the center square and others will simply erect a community Christmas tree.

It was also pointed out that to erect the usual street decorations here would require government priority orders for the necessary wire and transformer. That procedure would require weeks with the prospect of a refusal of the application for special priorities for that purpose, Corle said.

Mr. Corle and his committee will

London, Nov. 3 (AP)—United States soldiers in Britain will give up turkey on Thanksgiving so that the wounded and ill in British hospitals may enjoy it.

Thousands of pounds of plump American turkeys shipped here for the troops will be sent instead to hospitals and soldiers will eat ordinary fare, perhaps including chicken.

Thousands of cases of American fruit and vegetable juices also are being allotted to hospitals, bringing the American Army rations closer to the British model, which United States soldiers gradually are adopting in order to save shipping space.

NCCW MEETING IS ADDRESSED BY HISTORIAN

The regular monthly meeting of the National Council of Catholic Women was held Monday evening in the social rooms of the parochial school, with the president, Mrs. J. Walter Coleman, presiding.

The guest speaker was Dr. Frederick Tilberg, local historian of the National Park service. Doctor Tilberg presented a series of slides, some of which were original photos of Civil war scenes taken at the time of the battle of Gettysburg. These pictures showed scenes in the town and on the battlefield including several at the time President Lincoln was here. Later photos taken about 1888 and some recent ones were also shown. Doctor Tilberg gave many interesting comments and anecdotes while presenting the slides.

A brief business meeting preceded the program. Members were asked to attend the Day of Recollection at McSherrystown on Sunday, December 6. All those interested in attending should contact Miss Rhoda Breighner. Money was contributed to the National Catholic School of Social Service, Mrs. Beall, Red Cross chairman, reported that \$26 was collected for the Red Cross kits.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Charles Chronister, Gardners R. D., announce the birth of a son, Gilbert Elmer, on October 29.

Fruit Growers To Meet On Thursday

Control of orchard mice that are infesting heavy cover crop growth in county fruit sections will be discussed at the November meeting of the Adams County Fruit Growers association to be held Thursday evening at 8 o'clock in the Biglerville auditorium. J. U. Ruef, extension pomologist from State College, will be on hand to lead the discussion.

A notice of the meeting, which has been issued by Secretary George Schriver, states that the growers also will review crop harvesting problems with a view to laying plans for the 1943 season.

STREET REPAIR WORK FINISHED COUNCIL HEARS

The street building and repair program for 1942 in Gettysburg has been completed in spite of adverse weather conditions and war-connected delay in securing materials, Borough Engineer LeRoy H. Winebrenner told members of the borough council at the regular November meeting of council on Monday evening.

A state highway department representative inspected the work on the day it was finished—last Thursday—and application has been made to the county commissioners for a grant of \$1,500 county aid to help cover the expense of that work.

The section of Fifth street built last year, was re-surfaced and a 200-foot additional section also was improved; North Fourth street was built from the railroad to East Water street; the alley west of Baltimore street was surfaced from Breckenridge street to the steam laundry property; the alley north of High street was repaired from Franklin to Liberty street; Wickham and Kimpale alleys were built; the sides of Howard street were improved; Water street was built from Stratton to Fourth street, and Locust street was built from Baltimore street to Walnwright avenue.

Ask Playground Budget

Council received a request from Paul A. Kinsey, chairman of the Gettysburg Recreation Board, that \$300 be included in the town's 1943 budget for supervision and some equipment at the Gettysburg playground for next year. Civic, fraternal and church groups will be appealed to again for donations with which to meet other expenses at the playground, Mr. Kinsey said.

Mr. Winebrenner reported on progress being made with the surfacing of Buford avenue. He said that missing links in the sidewalk along the north side have been built and that there is a curb all along the south side of the street. Base stone courses for the berms are being placed, he said.

Warns Against Hunting In Park

The attention of hunters in the vicinity of Gettysburg is called to the laws prohibiting firearms and unleashed dogs within National Park Service areas, according to a statement issued by the office of the Gettysburg National Military Park.

Every effort is being made to protect wildlife within the park. Not only is all hunting prohibited but the unauthorized possession of dead game within the federal area may be taken as a violation of the law, it was stated.

Firearms are prohibited within the park except upon written permission of the Superintendent. Dogs are also prohibited unless they are on a leash, and stray dogs caught in the act of pursuing game may be killed. It was pointed out that in an area of this kind, enforcement of the game laws is unusually difficult and it is only by careful observance of the law by local hunters that the best interests of sportsmen can be safeguarded.

APPEAL IS DENIED

Sandy Carl Childs, Gettysburg R. 5, who was classified 1A by his local draft board No. 1 at New Oxford, appealed his case to the Board of Appeals but was continued in 1A, the board announced today.

MARINES DRIVE INVADERS BACK ON ISLE BASE

Washington, Nov. 3 (AP)—Navy Secretary Knox warned today against "growing too optimistic" about the Solomon Islands operations and said there was no doubt that the Japanese fleet would return.

Knox made his statement at a press conference at which he also reported the sinking of two additional enemy cruisers by a United States task force in a battle off Savo island on the night of October 11-12. He said that Vice Admiral Robert L. Ghormley, now back from the Pacific where he formerly was chief of Naval operations, said that in the battle five enemy destroyers and three cruisers were sunk.

Navy Conservatism

The Navy communique on that engagement had reported only one enemy cruiser sunk, plus four destroyers and a transport. Ghormley's report thus added two cruisers, and one destroyer to the toll taken of the enemy.

Knox said the additional damage reported by Ghormley was an example of "the ultra conservatism" of the Navy in reporting damage to the enemy.

In speaking out against optimism springing from the severe damage inflicted on the Japanese fleet in the Solomons, Knox said:

"There is no warrant for the optimism. It is still a bitter, tough fight. They have a fleet of formidable proportions left. We haven't any doubt they'll come back. It is dangerous to assume they won't be back and any assumption that this is all there will be of the operation is unwarranted."

Drive Japs Back

An American drive to squeeze the Japanese out of Guadalcanal appeared underway today as Marines, supported by a tempestuous aerial assault, pressed the enemy farther away from the island's hotly contested airfield.

A Japanese retreat, announced by the Navy yesterday, carried the Nipponese back as much as two miles in one sector while flying fortresses, dive bombers and American fighter planes blasted and strafed enemy positions throughout the area.

Thus within a week, the fortunes of war had changed the threat of a gathering Japanese naval and land offensive in the southwestern Pacific to strengthen American domination over the Solomon islands prize.

Few Casualties

The American offensive in Guadalcanal, most effective thrust since the marine invasion and capture of the airport early in August, followed withdrawal of the Japanese fleet from the Solomons battle area after suffering heavy damage in the sea-air melee off the Stewart islands, Oct. 26.

The enemy toll was found to be greater yesterday with the Navy's announcement that American submarines in the far Pacific had sent seven Japanese ships to the bottom and damaged three others in recent raids.

The Japanese retreat on Guadalcanal commenced Sunday (Solomons time) as a small force of Marines, supported by heavy bombers, crossed the Matanikan river and began taking over new territory to the westward of their original positions.

American casualties, the Navy said, were comparatively few.

He Ain't Mad

Fort Benning, Ga., Nov. 3 (AP)—It was the chaplain's first jump from an airplane at the parachute school, Fort Benning. He was standing in the door waiting for the command "go." And like all normal men he was sweating, and sweating plenty.

Then the command "go." The chaplain was heard to mutter something as he leaped into space. One of the jumpmasters turned to the other.

"What did he say?"

The other grinned. "He said, he hopes his boss isn't mad at him today."

London, Nov. 3 (AP)—United States soldiers in Britain will give up turkey on Thanksgiving so that the wounded and ill in British hospitals may enjoy it.

Thousands of pounds of plump American turkeys shipped here for the troops will be sent instead to hospitals and soldiers will eat ordinary fare, perhaps including chicken.

Thousands of cases of American fruit and vegetable juices also are being allotted to hospitals, bringing the American Army rations closer to the British model, which United States soldiers gradually are adopting in order to save shipping space.

NCCW MEETING IS ADDRESSED BY HISTORIAN

The regular monthly meeting of the National Council of Catholic Women was held Monday evening in the social rooms of the parochial school, with the president, Mrs. J. Walter Coleman, presiding.

The guest speaker was Dr. Frederick Tilberg, local historian of the National Park service. Doctor Tilberg presented a series of slides, some of which were original photos of Civil war scenes taken at the time of the battle of Gettysburg. These pictures showed scenes in the town and on the battlefield including several at the time President Lincoln was here. Later photos taken about 1888 and some recent ones were also shown. Doctor Tilberg gave many interesting comments and anecdotes while presenting the slides.

A brief business meeting preceded the program. Members were asked to attend the Day of Recollection at McSherrytown on Sunday, December 6. All those interested in attending should contact Miss Rhoda Breighner. Money was contributed to the National Catholic School of Social Service, Mrs. Beall, Red Cross chairman, reported that \$26 was collected for the Red Cross kits.

Party for Soldiers

Announcement was made that there will be a parish party Saturday night in the school hall for soldiers in Gettysburg. The party will be from 8 to 12 p. m.

A benefit card party will be held at the home of Mrs. Coleman Friday evening at 8 o'clock. Bridge, pin-ochle and five hundred will be played. The entire proceeds will go to the USO fund.

Following the program a social hour was held.

Hostesses for the evening were Mrs. Marie Small, Mrs. Walter Plank, Mrs. Rebecca Martin, Mrs. Arthur Marsden, Mrs. Annie Cunningham and Miss Lindora Roddy.

The Gettysburg Times newsboys and girl have made another record-breaking sale of ten-cent War Savings stamps, the tabulation for the two weeks ending October 31 shows.

During that time a grand total of 104,475 stamps was sold by the nineteen youths. The sale of these stamps boosted the total for forty-six weeks of the campaign to 894,341 stamps.

Fruit Growers To Meet On Thursday

Control of orchard mice that are infesting heavy cover crop growth in county fruit sections will be discussed at the November meeting of the Adams County Fruit Growers association to be held Thursday evening at 8 o'clock in the Biglerville auditorium. J. U. Ruff, extension pomologist from State College, will be on hand to lead the discussion.

A notice of the meeting, which has been issued by Secretary George Schriver, states that the growers also will review crop harvesting problems with a view to laying plans for the 1943 season.

STREET REPAIR WORK FINISHED COUNCIL HEARS

The street building and repair program for 1942 in Gettysburg has been completed in spite of adverse weather conditions and war-connected delay in securing materials, Borough Engineer LeRoy H. Winebrenner told members of the borough council at the regular November meeting of council on Monday evening.

A state highway department representative inspected the work on the day it was finished—last Thursday — and application has been made to the county commissioners for a grant of \$1,500 county aid to help cover the expense of that work.

The section of Fifth street built last year was re-surfaced and a 200-foot additional section also was improved; North Fourth street was built from the railroad to East Water street; the alley west of Baltimore street was surfaced from Breckenridge street to the steam laundry property; the alley north of High street was repaired from Franklin to Liberty street; Wick-erham and Kimple alleys were built; the sides of Howard street were improved; Water street was built from Stratton to Fourth street, and Locust street was built from Baltimore street to Wainwright avenue.

Ask Playground Budget

Council received a request from Paul A. Kinsey, chairman of the Gettysburg Recreation Board, that \$300 be included in the town's 1943 budget for supervision and some equipment at the Gettysburg playground for next year. Civic, fraternal and church groups will be appealed to again for donations with which to meet other expenses at the playground, Mr. Kinsey said.

Mr. Winebrenner reported on progress being made with the surfacing of Buford avenue. He said that missing links in the sidewalk along the north side have been built and that there is a curb all along the south side of the street. Base stone courses for the berms are being placed, he said.

Warns Against Hunting In Park

The attention of hunters in the vicinity of Gettysburg is called to the laws prohibiting firearms and unleashed dogs within National Park Service areas, according to a statement issued by the office of the Gettysburg National Military Park.

Every effort is being made to protect wildlife within the park. Not only is all hunting prohibited but the unauthorized possession of dead game within the federal area may be taken as a violation of the law, it was stated.

Firearms are prohibited within the park except upon written permission of the Superintendent. Dogs are also prohibited unless they are on a leash, and stray dogs caught in the act of pursuing game may be killed. It was pointed out that in an area of this kind, enforcement of the game laws is unusually difficult and it is only by careful observance of the law by local hunters that the best interests of sportsmen can be safeguarded.

APPEAL IS DENIED

Sandy Carl Childs, Gettysburg R. 5, who was classified 1A by his local draft board No. 1 at New Oxford, appealed his case to the Board of Appeals but was continued in 1A, the board announced today.

MARINES DRIVE INVADERS BACK ON ISLE BASE

Washington, Nov. 3 (AP)—Navy Secretary Knox warned today against "growing too optimistic" about the Solomon islands operations and said there was no doubt that the Japanese fleet would return.

Knox made his statement at a press conference at which he also reported the sinking of two additional enemy cruisers by a United States task force in a battle off Savo Island on the night of October 11-12. He said that Vice Admiral Robert L. Ghormley, now back from the Pacific where he formerly was chief of Naval operations, said that in the battle five enemy destroyers and three cruisers were sunk.

Navy Conservatism

The Navy communique on that engagement had reported only one enemy cruiser sunk, plus four destroyers and a transport. Ghormley's report thus added two cruisers, and one destroyer to the toll taken of the enemy.

Knox said the additional damage reported by Ghormley was an example of "the ultra conservatism" of the Navy in reporting damage to the enemy.

In speaking out against optimism springing from the severe damage inflicted on the Japanese fleet in the Solomons, Knox said:

"There is no warrant for the optimism. It is still a bitter, tough fight. They have a fleet of formidable proportions left. We haven't any doubt they'll come back. It is dangerous to assume they won't be back and any assumption that this is all there will be of the operation is unwarranted."

Drive Japs Back

An American drive to squeeze the Japanese out of Guadalcanal appeared underway today as Marines, supported by a tempestuous aerial assault, pressed the enemy farther away from the island's hotly contested airfield.

A Japanese retreat, announced by the Navy yesterday, carried the Nipponese back as much as two miles in one sector while flying fortresses, dive bombers and American fighter planes blasted and strafed enemy positions throughout the area.

Thus within a week, the fortunes of war had changed the threat of a gathering Japanese naval and land offensive in the southwestern Pacific to strengthen American domination over the Solomon islands prize.

Few Casualties

The American offensive in Guadalcanal, most effective thrust since the marine invasion and capture of the airport early in August, followed withdrawal of the Japanese fleet from the Solomons battle area after suffering heavy damage in the sea-air melee off the Stewart islands, Oct. 26.

The enemy toll was found to be greater yesterday with the Navy's announcement that American submarines in the far Pacific had sent seven Japanese ships to the bottom and damaged three others in recent raids.

The Japanese retreat on Guadalcanal commenced Sunday (Solomons time) as a small force of Marines, supported by heavy bombers, crossed the Matanikau river and began taking over new territory to the westward of their original positions.

American casualties, the Navy said, were comparatively few.

He Ain't Mad

Fort Benning, Ga., Nov. 3 (AP)—It was the chaplain's first jump from an airplane at the parachute school, Fort Benning. He was standing in the door waiting for the command "go." And like all normal men he was sweating, and sweating plenty.

Then the command "go." The chaplain was heard to mutter something as he leaped into space. One of the jumpmasters turned to the other.

"What did he say?"

The other grinned. "He said, he hopes his boss isn't mad at him today."

Here's what this farmer found out when he needed CASH...

He went into the Personal Finance Co. for a loan and was surprised to find they knew so much about the problems a farmer is up against. Moreover, he discovered that down at Personal they do business his way. They loan money on signature, furniture or auto. He didn't have to ask someone else to sign with him and no one else knew he was getting a loan from them.

He found their monthly payment plans were sensible too and that he could take up to 12 months to repay. So if you need \$10 to \$250 or more, neighbor, believe me you won't go wrong if you stop in and see Personal.

NOTE: Your application for a loan can be made on mail or phone, or by a personal visit to the office.

BADGERS KNOCK BUCKEYES FROM UNBEATEN LIST

By AUSTIN BEALMEAR
New York, Nov. 2 (AP)—With virtually all the conference pictures more clearly defined after last week's slam-bang program, the nation's football teams moved into the final months of the campaign today, many with stiff assignments ahead.

Although the coming week-end can't hope to produce anything as exciting as the past one, when such teams as Ohio State, Alabama, Army, Syracuse, Texas Christian and Detroit were bounced out of the undefeated ranks, there still will be enough action to go around.

In the Western conference, Wisconsin stands alone at the front of the title chase after dumping Ohio State, 17-7. Next Saturday the Badgers meet Iowa.

Ohio State Vs. Pitt
Ohio State, dropped to second place, has a non-conference date with Pitt this week and Purdue also steps out of the loop to play the Great Lakes Sailors, who blanked Missouri, 17-0.

After handling Illinois its first conference setback, 28-14, Michigan takes on Harvard in an inter-sectional duel. Illinois tangles with Northwestern and Minnesota, 19-7 conqueror of Northwestern, meets Indiana in conference play.

Army's 19-0 loss to Pennsylvania took a little of the edge off this week's tussle between the Cadets and Notre Dame at New York's Yankee stadium, but the Irish prepared for the classic by sinking Yale, 9-0. Penn and Navy get together at Philadelphia at the same time.

Boston college, which remained unbeaten and untied by swamping Georgetown, 47-0, catches Temple, while other eastern headliners send Yale against Cornell, Princeton against Dartmouth and Penn State against Syracuse. Fordham has an inter-sectional date with Louisiana State.

Georgia Tops South
Georgia, which looms as the best in the south, after stopping previously unbeaten Alabama, 21-10, meets another but weaker Southeastern conference opponent, Florida.

Alabama tangles with South Carolina and Maryland, 13-0 winner over Florida, meets Duke in a southern loop headliner. Georgia Tech, still unbeaten and untied after stopping Duke, 26-7, takes on Kentucky with visions of another Southeastern conference triumph.

Tulane finally won two games in a row by tripping Vanderbilt, 28-21, and will try to make it three against Mississippi State, a Southeastern foe. Mississippi plays Vanderbilt and Auburn tackles the Georgia Pre-Flight club.

Baylor Vs. Texas
With Texas Christian out of the way, Baylor and Texas collide head-on with the Southwest conference lead and perhaps the title at stake. Baylor knocked T.C.U. out of the unbeaten ranks, 10-7, while Texas handled Southern Methodist, 21-7.

In the Pacific Coast conference, first-place U.C.L.A. meets Oregon in quest of league victory number four. U.C.L.A. trounced Stanford, 20-7, Saturday while Oregon lost to California, 20-0. California plays Southern California, which rested Saturday.

Sigma Chi Frat Bids For Pigskin

The Sigma Chi fraternity at Gettysburg college outbid all other bidders for the football used in the Gettysburg-Drexel football game on Memorial field Saturday and has added the pigskin to its array of trophies.

The Sigma Chi boosted the bidding for the pigskin up to \$1,500 when all other bidders dropped out. The bid represents a pledge to purchase \$1,500 in U. S. War bonds. The bonds must be purchased before the ball will be presented to the fraternity.

FIGHT IN CAR FATAL TO TWO

Willoughby, O., Nov. 2 (AP)—A collision involving three automobiles killed Mrs. Frances Schwerthofer, 52, Conneautville, Pa., and Joseph Kaiser of Willoughby, and seriously injured Mrs. Schwerthofer's daughter, Mrs. Frances Siladi, 21, and Fred Leyde, a Painesville, Ohio, business man.

Deputy Sheriff Frank Merrill of Lake county gave this version of the accident:

Leyde backed his automobile out of a downtown Willoughby parking lot Saturday night and it collided with the car in which Kaiser and his wife were sitting. Kaiser leaped on the running board of Leyde's car and apparently forced his way into the car while it was moving.

As Kaiser struggled to make Leyde stop, Leyde's car sideswiped a car driven by Don F. Potter of Painesville, then swung across the road into a car driven by Arthur Reichel, Sagerstown (Crawford county), Pa. Mrs. Schwerthofer and her daughter were passengers in the Reichel car.

Installed at her home. Whether the business will pay out is something else—she just started a few days ago.

The record for removing an airplane engine, and substituting a new one, is 54½ minutes.

H.S. LEAGUES HAVE NEW GRID PAGE SETTERS

By JERRY WEINSTEIN
Harrisburg, Nov. 2 (AP)—Pennsylvania scholastic football, pounding down the home stretch of a strenuous campaign, plunged through another 'turbulent' week-end with these results:

Big fifteen
Big Fifteen—Bethlehem jumped into first place and remained the only undefeated contender with a four-period spurge which upset Hazleton, 11-12.

Eastern Conference — Scranton Central slid by Kingston in the northern division and Shenandoah and Lansford kept up their brilliant play to pace the Southern section.

Tyrone Keeps Moving
Western Conference — Tyrone's defending champions assumed command once again with their eighth straight triumph.

WPIAL—Aliquippa, Altoona, Clairton, Conneautville, New Castle, Wilkes-Barre and Johnstown survived as contenders for Class AA honors.

Philadelphia—Germantown High in the public schools league and Lower Merion, Upper Merion, Lansdowne, Swarthmore and Coatesville in suburbs swept along toward division championships.

In other sections of the state, Plymouth and Wilkes-Barre Myers took the spotlight as each registered upset victories. Plymouth ruined Berwick's fine record, 21-13, while Myers toppled Kingston, 14-0.

Steelton shared some of Bethlehem's laurels in the Big Fifteen by knocking out Shamokin, the previous leader. Pete Mariner, Steelton guard, kicked a 15-yard field goal in the fourth period to decide the 10-7 contest. Bethlehem's verdict was its fifth straight in conference play.

Scranton Central topped Olyphant for its fourth straight to gain a rating of .546, just 46 points above Kingston. Shenandoah romped to its eighth consecutive success, halting Coal township, while Lansford remained a contender by stopping Tamaqua.

Tyrone's edge over Ebsensburg, last week's leader, became five points with a 200-point rating. Windber is still in the Western conference fight with an unblemished record.

Farewell won a back-yard brawl from Sharon, 7-0; Erie East did the same with Erie Tech, 19-0; Grove City continued among the leaders with a 36-0 verdict over Sharpville; Sunbury subdued Milton, 19-0; South Williamsport stayed unbeaten by surprising Lock Haven, 19-0; and Allentown was too much for Erie Strong Vincent, 20-0, in other stand-out contests.

Most of the islands of the south-west Pacific were made by volcanic action.

Pat Harder and Elroy Hirsch, Wisconsin backs—They led 17-7 victory over Ohio State, Harder scoring a touchdown and kicking a field goal and an extra point, and Hirsch assisting with ball carrying and tossing a touchdown pass.

Gordon Lyle, Harvard halfback—Outran Princeton secondary and snagged long pass, sprinting remaining 30 yards for last-minute touchdown that brought 19-14 victory.

Frankie Sinkwich, Georgia halfback—Pitched team to 21-10 win over Alabama with two touchdowns passes in final period.

Eddie McGovern, Rose poly halfback—Scored game's only touchdown, which he set up with pass, in 9-0 conquest of Navy.

Bert Stiff and Bob Odell, Pennsylvania backs—Led 19-0 victory over Army, gaining 82 yards between them.

Paul Governall, Columbia halfback—Scored one touchdown, which he set up, and connected with long pass in last two minutes for marker that beat Cornell, 14-13.

Hershey, Cleveland Unbeaten In Hockey

(By The Associated Press)
The Hershey Bears of the Eastern division and the Cleveland Barons of the Western sector still are unbeaten in the American Hockey league today after the first week's play in the 1942-43 season, during which every club appeared at least three times.

Hershey made it two in a row over Providence last night by beating the Reds, 3-1. The two teams also played Saturday night, with the Bears winning, 3-2.

Cleveland, which blanked the Washington Lions, 4-0, Saturday night, needed an overtime session to turn back the New Haven Eagles, 3-1, last night.

The Buffalo Bisons, even with the unbeaten duo in the standings with three wins in four starts, stopped the Pittsburgh Hornets, 6-3, last night and the Indianapolis Capitals, who dropped their opener, won their second straight by crushing Washington, 9-1, after whipping Pittsburgh, 3-1, Saturday night.

Next league games are scheduled Wednesday night when Indianapolis will be at New Haven, Providence at Washington and Hershey at Pittsburgh.

ALUMNI DOWNS DELONE

With five regulars missing from the lineup, Delone Catholic High's football team succumbed before the alumni 14-0 in a game played at McSherrystown Sunday afternoon. The strong alumni aggregation dominated play throughout the afternoon.

the present incumbent, volunteered his services to his Country in World War 1, is now married and is the father of children of High School attendance.

FRANCIS WORLEY

is married and has no children. His wife until the fall of 1941 was a school teacher but then failed to apply for re-election to that position.

We have no objection to party, creed, race or color, but we do think that men should be judged by their actions and that a Veteran should be rewarded for his service to Country and Community. Mr. Worley is of military age but he exhibits a III-A Draft Card, which is a deferred classification, and we feel that a candidate so classified, does not deserve your support.

ALLIES CAPTURE KOKODA, INLAND BASE ON GUINEA

Gen. MacArthur's Headquarters, Australia, Nov. 3 (AP)—Allied ground forces captured the Japanese base at Kokoda, inland New Guinea, yesterday after a grueling drive over the Owen Stanley mountains and were shoving the Japanese troops toward their coastal base at Buna today after medium and heavy Allied bombers drove off an enemy convoy and set fire to a transport attempting to approach Buna with reinforcements.

The recapture of Kokoda highlighted a sharp turn in the fighting in southeastern New Guinea, where the Japanese five weeks ago were within 32 miles of Port Moresby, the key Allied position on the island.

The Japanese, aware of the precarious position of their troops, attempted to send two transports with an estimated 7,000 soldiers to Buna to bolster their retreating forces, an Allied communiqué said today.

Convoy Withdraws

Allied heavy bombers sighted the transports escorted by a light cruiser, a destroyer and nine fighter planes and attacked as they were approaching Buna. Medium bombers then attacked yesterday afternoon. The convoy withdrew.

At twilight the bombers struck again off the south coast of New Britain and scored a direct hit on one of the transports and near hits on both. One transport was last seen burning off Gasmata on the south coast of New Britain, it was stated officially.

The Japanese landed first at Buna on July 22 and within two weeks had advanced 60 miles across New Guinea to Kokoda. Backed by superior forces, they drove into the 8,000-foot Owen Stanley mountains and by Sept. 16 they had fought their way through "the gap" in the mountain range and were facing Allied defenses stiffened and after miles from Port Moresby. There the Allied defenses stiffened and after ten days of parrying, tough Australian troops forced the Japanese back and started the advance back over the mountains to Kokoda.

Fight Off Attacks

Sgt. Filigenzi was in a flying Fortress whose oxygen system and one engine were put out of commission by Zero cannon and machine-gun fire.

"But each remained at his post, gallantly performing his duty and enabling the formation to continue on to a successful bombing run," the citation said.

Sgt. Filigenzi and Sgt. Meredith E. Durham, Albuquerque, N. M., it was added, "fought off many enemy attacks with their accurate fire and assisted other gunners in shooting down seven Zeros."

After releasing bombs which destroyed a number of enemy aircraft on Vunakanau airfield, their damaged Fortress was forced to leave the formation but, it was cited, "Sergeant Griffin's navigation through thick clouds and a weather front to evade enemy pursuit was outstanding and the big bomber returned safely to its base."

SCHOOL NEEDS ARE DISCUSSED BY LIONS CLUB

Curriculum adjustments in the public schools to meet war and post-war needs of the nation were considered in a panel discussion on the subject of "Education for the Future" at the weekly dinner meeting of the Gettysburg Lions club Monday evening at Mrs. Smith's restaurant.

The discussion was led by Robert A. Bream, assistant county superintendent of schools and participated in by G. W. Lefever, Gettysburg high school principal; Elmer H. Schriver, supervisor for vocational agriculture at the local high school; Lloyd C. Keefe, supervisor of the Gettysburg public schools, and C. Paul Cessna, alumni secretary at Gettysburg college, all members of the Lions club.

Annual Observance

The program, which was conducted in observance of National Education Week, developed a discussion of the increasing emphasis being put upon physical fitness programs in the high schools and the offering of courses to train pupils for immediate usefulness in the war effort in their own community or elsewhere.

In the course of the discussion it was brought out that high schools are being urged to equip themselves to serve as guidance bureaus between the nation's war services and the pupils. Military drill for high school pupils is being pressed from Washington and an increasing number of high schools is inaugurating courses in pre-flight aeronautics. Adult education and the matter of health and nutrition emphasis in the elementary grades also were talked over.

President William A. Beales presided at the meeting with 24 members in attendance.

Next week the Lions and Rotarians will hold a Joint Ladies' Night program at the Battlefield hotel.

Mrs. Francis C. Mason, Chambersburg street, has received word from her mother that the latter was unofficially informed that her son, Robert G. "Bob" Copper (brother of Mrs. Mason), civilian electrical engineer for the Navy Department, is a prisoner of war of the Japs.

Mrs. Copper was informed by the committee for the Relief for Americans in the Philippines that her son was a prisoner of the Japs at Santo Thomas University, Manila. While this information is not considered as official it is reliably authentic. The committee secures its information through various sources, especially from civilians who are repatriated from conquered lands.

FARM MACHINE REPAIR COURSE OPENS TUESDAY

A class in the repair, maintenance and adjustment of farm machinery and other repair jobs will be opened for farmers in the agriculture shop rooms at the Gettysburg high school buildings next Tuesday evening, November 10, at 7:45 o'clock.

This course in farm repair work, which is one of the Rural War Production courses sponsored by the Department of Public Instruction, will run for seven weeks with class sessions each Tuesday and Thursday evening. Elmer H. Schriver, supervisor of the vocational agriculture department at the high school, will be the teacher.

Work Important

Farmers attending the class will have an opportunity to overhaul and paint such implements as mowers, harrows, corn planters, discs, cultivators, rollers, plows and other farm implements. "Because of the small amount of new farm equipment that will be manufactured this year, it makes it more important than ever to recondition farm machinery and prepare now for next season's work," Mr. Schriver pointed out. "The farmers' time is very valuable and he can't afford to take time out to repair farm machinery next spring," he added.

In addition to farm machinery repair work in the classes, other farm shop jobs will be taught, such as hot and cold metal work, welding, soldering, harness repair, tool sharpening, tempering, construction of poultry equipment and other types of farm shop work.

There will be no cost to the members of the class excepting for the price of new parts and materials to be used in the shop repair work. "We urge interested farmers to attend this course and avail themselves of its opportunities," Mr. Schriver said.

LOAD OF APPLES DUMPED IN CREEK

A stake-body trailer loaded with 300 bushels of apples bound for Biglerville broke loose from the truck tractor, when a connecting pin sheared off, and the big trailer with its cargo dropped off a bridge at Eicholtz's mill in The Narrows about 6:30 o'clock this morning spilling the apples into the creek.

Robert L. Spidehl, 21, Chambersburg, the driver of the vehicle which was owned by Stewart Wachter of Lebanon, was unhurt. Damage to the trailer and the loss of its load totaled several hundred dollars, it was estimated by Private R. H. Bruce of the Gettysburg detail of the state motor police, who investigated.

The apples were reported to have been some of those which spilled from a big storage building at Chambersburg on Sunday when a side of the structure gave way.

Many Apples Lost When Wall Crashes

Chambersburg, Nov. 3 (AP)—A brick and concrete wall on the five-story Chambersburg Ice and Cold Storage company building collapsed Sunday and D. Edward Long, president, said the weight of more than 240,000 bushels of apples stored in the structure caused the accident.

The debris hit the side of a frame house. Mrs. Daisy Hehl, who was sleeping in the home, escaped injury but suffered from shock.

Long estimated damage to the building at \$10,000 and said nearly 25,000 bushels of apples which fell through the opening probably could not be salvaged.

Apples on the third floor belong to the C. H. Musselman company of Biglerville, and those on the fourth and fifth floors to the Knoxe corporation, which has a cannery in Chambersburg.

Georgia And Wisconsin Voted First And Second Positions In AP Gridiron Poll

BUCKEYES ARE BOUNCED INTO SIXTH RATING

New York, Nov. 3 (AP)—Georgia not only defeated Alabama Saturday but it convinced the nation's sports writers that it is the best college football team in the land.

The undefeated Dixie Bulldogs snared 84 5-6 first place votes out of a possible 127 today and bounded into first place in the weekly Associated Press poll, replacing Ohio State.

The Buckeyes, leaders for three straight weeks, sank to sixth following their defeat by Wisconsin, 17 to 7.

Wisconsin also participated in the shake up, one of the most violent in the seven-year history of the poll, by vaulting from sixth to second, just 138 points below Georgia.

Irish are Fourth

Georgia Tech, another undefeated power, moved from fifth to third while Notre Dame retained its grasp on fourth place. Boston college moved from seventh to fifth on the strength of the 47 to 0 thrashing it administered to a good Georgetown squad.

Alabama skidded to eighth from the third place spot it held a week ago but Minnesota climbed from tenth to seventh. Pennsylvania, which whipped the previously unbeaten Army team, 17 to 0, replaced the Cadets in the listing. The Quakers jumped from fourteenth to ninth while Army dropped from eighth to nineteenth as a result of the defeat.

UCLA Replaces T. C.

The top ten was completed by University of California at Los Angeles, winner of three Pacific coast tussles in a row. The Bruins were eleventh a week ago and took over the spot vacated by Texas Christian which was upset by Baylor and sank to the also-ran classification.

The Georgians, coached by Wallace Butts and sparked by all-American halfback Frank Sinkwich, were second on all three of the previous polls this season and had 25 votes for first last week, compared with the 84 5-6 this week.

SATURDAY GAME MAY ESTABLISH GRID CHAMPION

By TED MEIER

Philadelphia, Nov. 3 (AP)—The championship of the mythical State Teachers football conference may be decided on Saturday when West Chester invades Lock Haven to battle the undefeated Bald Eagles.

The battle has all the earmarks of a ding-dong struggle, one that probably will draw a capacity crowd.

West Chester has played only one league game, swamping Indiana 29 to 0, thereby providing a measure of comparison. Earlier in the year Lock Haven humbled the big Indians, 21 to 7.

Lock Haven is unbeaten and untied, not only in league competition, but against all opponents. West Chester, upset winner over Albright last Saturday, has won five games, lost one to Delaware and tied Moravian.

East Stroudsburg nosed out Mansfield, 12 to 6, last week to go into a first place battle with Lock Haven. In another league game Indiana swamped Clarion, 25 to 0.

Standings of the teams

W	L	T	Pts	Op
Lock Haven	3	0	0	73
West Chester	1	0	0	20
East Stroudsburg	3	0	0	38
Mansfield	2	1	0	63

Freak Leg Motion Baffles Gridders

Madison, Wis., Nov. 3 (AP)—Some day, probably after the football season, they are going to make Elroy "Crazy Legs" Hirsch stand still long enough for his shadow to catch up with him.

That's how fast this Wisconsin whiz-bang is. The Badgers' six beaten opponents can vouch for that—and Notre Dame, the team Wisconsin tied 7-7, also can add its bit. The sophomore halfback made the all-important touchdown against the Irish—zipping 35 yards to do it.

Hirsch's longest touchdown trip of the season was 63 yards against Great Lakes.

In all, he has gained 606 yards in 89 tries for a 6.7 rushing average per play.

Hirsch's freakish leg motion has much to do with his elusiveness.

"He's always kicking himself in the legs," says Coach Harry Stuhldreher. "Why, the kid's the oddest runner I've seen. You might say his feet travel in opposite directions."

BISONS PRIME DEFENSE FOR BULLET PASSES

Lewisburg, Nov. 3—Expecting the stiffest kind of opposition from Gettysburg this Saturday, Bucknell's football men returned to the practice grind without respite following their upset triumph over Lafayette.

Instead of taking a day off from practice, as has sometimes been their custom after a notable victory, Coach A. Humphreys' charges showed their respect for the Bulls by scheduling a full week of workouts.

"The slightest letdown against Gettysburg will cost us the game," Humphreys told his gridders as they reassembled following the Homecoming week-end. "Man for man, they're almost the same team that handed us a 12-0 licking last year."

"Impressed by their scouts' reports on the offense which has carried Gettysburg to easy wins over F. and M. and Drexel the past two Saturdays, the Bisons are concentrating on preparing a sturdy defense against the Battlefields' thrusts."

Fear Hardy's Aerials

The passing of Jim Hardy, 200-pound halfback from Darby, 200-pound Orange and Blue mentors especial cause for concern. Hardy's aerials netted the Bulls two touchdowns against Drexel.

Against Lafayette the Bison pass defense proved airtight only after the Leopards chalked up a touchdown via the overhead route. After that the Herd secondary bottled up the invaders' aerial game, making four interceptions.

Brightening the picture for Bucknell is the fact that the Bisons came through the gruelling Leopard contest without suffering any serious injuries. Five players—both tackles, both guards and the quarterback—played the full 60 minutes.

Football fans have a dull week scheduled for them. Gettysburg high will wind up its season by meeting Mechanicsburg on the latter's field Friday evening while Gettysburg college meets the powerful Bucknell eleven at Lewisburg Saturday afternoon. Biglerville high has an open date this week. The only local game will be staged Friday afternoon when the Biglerville high scrubs meet the Gettysburg high scrubs.

The championship of the Southern Pennsylvania Interscholastic conference may be settled Friday evening.

Gettysburg, only serious challenger of the undefeated and league-leading Hanover team, can force a delay in the championship race by defeating Mechanicsburg high but if defeated would be eliminated.

Hanover high will be host to Hershey and should have little trouble in disposing of the Trojans, beaten soundly by the Maroons last Friday for their first setback. The Night-hawks will conclude their league season by playing at Waynesboro on November 13. Hanover must lose one of its two remaining games and the Maroons must whip Mechanicsburg to give the Forney-men a title chance.

Last week's grid selections resulted in 15 right, seven wrong while three were ties. The record is now 93 right, 41 wrong and 10 ties.

Having split even in four games played, the Gettysburg college soccer team will seek its third victory of the season Saturday when Johns Hopkins will be met at Baltimore.

Coach Harlison's team lost its first two games but since then have shown great improvement to score wins over F. and M. and Delaware.

MOTHER WATCHES HER SON DROWN

Norwood, Pa., Nov. 3 (AP)—Six-year-old Daniel Fulmer, playing near the edge of a quarry, slipped and plunged 60 feet to a pool of water below.

The boy's parents came here recently from Hazleton. Fulmer is employed in the Baldwin Locomotive works in Baldstone and the family lived in the Delaware County trailer camp for war workers. The accident occurred yesterday.

Georgia And Wisconsin Voted First And Second Positions In AP Gridiron Poll

BUCKEYES ARE BOUNCED INTO SIXTH RATING

New York, Nov. 3 (AP)—Georgia not only defeated Alabama Saturday but it convinced the nation's sports writers that it is the best college football team in the land.

The undefeated Dixie Bulldogs snared 84 5-6 first place votes out of a possible 127 today and bounded into first place in the weekly Associated Press poll, replacing Ohio State. The Buckeyes, leaders for three straight weeks, sank to sixth following their defeat by Wisconsin, 17 to 7.

Wisconsin also participated in the shake up, one of the most violent in the seven-year history of the poll, by vaulting from sixth to second, just 138 points below Georgia.

Irish are Fourth

Georgia Tech, another undefeated power, moved from fifth to third while Notre Dame retained its grasp on fourth place. Boston College moved from seventh to fifth on the strength of the 47 to 0 thrashing it administered to a good Georgetown squad.

Alabama skidded to eighth from the third place spot it held a week ago but Minnesota climbed from tenth to seventh. Pennsylvania, which whipped the previously unbeaten Army team, 17 to 0, replaced the Cadets in the listing. The Quakers jumped from fourteenth to ninth while Army dropped from eighth to nineteenth as a result of the defeat.

UCLA Replaces T. C.

The top ten was completed by University of California at Los Angeles, winner of three Pacific coast tussles in a row. The Bruins were eleventh a week ago and took over the spot vacated by Texas Christian which was upset by Baylor and sank to the also-ran classification.

The Georgians, coached by Wallace Butts and sparked by all-American halfback Frank Sinkwich, were second on all three of the previous polls this season and had 25 votes for first last week, compared with the 84 5-6 this week.

The standings of the teams (first place votes in parentheses points figured on 10-9-8-7 etc., basis):

SATURDAY GAME MAY ESTABLISH GRID CHAMPION

By TED MEIER

Philadelphia, Nov. 3 (AP)—The championship of the mythical State Teachers football conference may be decided on Saturday when West Chester invades Lock Haven to battle the undefeated Bald Eagles.

The battle has all the earmarks of a ding-dong struggle, one that probably will draw a capacity crowd. West Chester has played only one league game, swamping Indiana 29 to 0, thereby providing a measure of comparison. Earlier in the year Lock Haven humbled the big Indians, 21 to 7.

Lock Haven is unbeaten and untied, not only in league competition, but against all opponents. West Chester, upset winner over Albright last Saturday, has won five games, lost one to Delaware and tied Moravian.

East Stroudsburg nosed out Mansfield, 12 to 6, last week to go into a first place with Lock Haven. In another league game Indiana swamped Clarion, 25 to 0.

Standings of the teams

	W	L	T	Pts	Opp
Lock Haven	3	0	0	73	7
West Chester	1	0	0	20	0
East Stroudsburg	3	0	0	38	6
Mansfield	2	1	0	63	18
Indiana	2	2	0	46	41
Edinboro	1	1	0	14	24
Slippery Rock	1	2	0	23	39
Shippensburg	1	3	0	25	58
Clarion	0	2	0	6	33
Kutztown	0	3	0	0	72

Saturday's Schedule
West Chester at Lock Haven
Mansfield at Indiana
Slippery Rock at Edinboro
Clarion at Kutztown

Freak Leg Motion Baffles Gridders

Madison, Wis., Nov. 3 (AP)—Some day, probably after the football season, they are going to make Elroy "Crazy Legs" Hirsch stand still long enough for his shadow to catch up with him.

That's how fast this Wisconsin whiz-bang is. The Badgers' six beaten opponents can vouch for that—and Notre Dame, the team Wisconsin tied 7-7, also can add its bit. The sophomore halfback made the all-important touchdown against the Irish—zipping 35 yards to do it.

Hirsch's longest touchdown trip of the season was 63 yards against Great Lakes.

In all, he has gained 606 yards in 89 tries for a 6.7 rushing average per play.

Hirsch's freakish leg motion has much to do with his elusiveness.

"He's always kicking himself in the legs," says Coach Harry Stuhldreher. "Why, the kid's the oddest runner I've seen. You might say his feet travel in opposite directions."

WINDBER'S LINE GETS SCHOOLING IN BALL TOTING

Windber, Pa., Nov. 3 (AP)—Highly concentrated razzle-dazzle with backs doing the razzling and linemen handling the dazzling—spells success for Windber high's eleven.

Coach Joe Gates' Ramblers have placed a first-rate claim as Pennsylvania's outstanding scholastic football team this season, based on victories over Johnstown and Altoona and the linemen are getting just as much credit for success as the ball carriers.

"Our linemen are taught to handle the ball just as if they were in the backfield," Gates, former Duquesne quarterback under Elmer Layden, said today, "and their versatility has paid dividends."

As an example, he points to Center Ray Torquato, who has scored seven touchdowns this year. Other linemen, particularly End Pete Kaplan, have contributed heavily to scoring.

The Ramblers' tackles and guards are given drills in blocking their opponents on offense and then breaking free to receive laterals.

ALLIES CAPTURE KOKODA, INLAND BASE ON GUINEA

Gen. MacArthur's Headquarters, Australia, Nov. 3 (AP)—Allied ground forces captured the Japanese base at Kokoda, inland New Guinea, yesterday after a grueling drive over the Owen Stanley mountains and were showing the Japanese troops toward their coastal base at Buna today after medium and heavy Allied bombers drove off an enemy convoy and set fire to a transport attempting to approach Buna with reinforcements.

The recapture of Kokoda highlighted a sharp turn in the fighting in southeastern New Guinea, where the Japanese five weeks ago were within 32 miles of Port Moresby, the key Allied position on the island.

The Japanese, aware of the precarious position of their troops, attempted to send two transports with an estimated 7,000 soldiers to Buna to bolster their retreating forces. An Allied communiqué said today.

Convoy Withdraws
Allied heavy bombers sighted the transports escorted by a light cruiser, a destroyer and nine fighter planes and attacked as they were approaching Buna. Medium bombers then attacked yesterday afternoon. The convoy withdrew.

At twilight the bombers struck again off the south coast of New Britain and scored a direct hit on one of the transports and near hits on both. One transport was last seen burning off Gasmata on the south coast of New Britain, it was stated officially.

The Japanese landed first at Buna on July 22 and within two weeks had advanced 60 miles across New Guinea to Kokoda. Backed by superior forces, they drove into the 3,000-foot Owen Stanley mountains and by Sept. 16 they had fought their way through "the gap" in the mountain range and were facing Allied defenses stiffened and after miles from Port Moresby. There the Allied defenses stiffened and after ten days of parrying, tough Australian troops forced the Japanese back and started the advance back over the mountains to Kokoda.

Fight Off Attacks
Sgt. Filigenzi was in a Flying Fortress whose oxygen system and one engine were put out of commission by Zero cannon and machine-gun fire.

"But each remained at his post, gallantly performing his duty and enabling the formation to continue on to a successful bombing run," the citation said.

Sgt. Filigenzi and Sgt. Meredith E. Durham, Albuquerque, N. M., it was added, "fought off many enemy attacks with their accurate fire and assisted other gunners in shooting down seven Zeros."

After releasing bombs which destroyed a number of enemy aircraft on Vunakanau airfield, their damaged Fortress was forced to leave the formation but, it was cited, "Sergeant Griffin's navigation through thick clouds and a weather front to evade enemy pursuit was outstanding and the big bomber returned safely to its base."

SCHOOL NEEDS ARE DISCUSSED BY LIONS CLUB

Curriculum adjustments in the public schools to meet war and post-war needs of the nation were considered in a panel discussion on the subject of "Education for the Future" at the weekly dinner meeting of the Gettysburg Lions club Monday evening at Mrs. Smith's restaurant.

The discussion was led by Robert A. Bream, assistant county superintendent of schools and was participated in by G. W. Lefever, Gettysburg high school principal; Elmer H. Schriver, supervisor for vocational agriculture at the local high school; Lloyd C. Keefe, superintendent of the Gettysburg public schools, and C. Paul Cessna, alumni secretary at Gettysburg college, all members of the Lions club.

The program, which was conducted in observance of National Education Week, developed a discussion of the increasing emphasis being put upon physical fitness programs in the high schools and the offering of courses to train pupils for immediate usefulness in the war effort in their own community or elsewhere.

In the course of the discussion it was brought out that high schools are being urged to equip themselves to serve as guidance bureaus between the nation's war services and the pupils. Military drill for high school pupils is being pressed from Washington and an increasing number of high schools is inaugurating courses in pre-flight aeronautics. Adult education and the matter of health and nutrition emphasis in the elementary grades also were talked over.

FARM MACHINE REPAIR COURSE OPENS TUESDAY

A class in the repair, maintenance and adjustment of farm machinery and other repair jobs will be opened for farmers in the agriculture shop rooms at the Gettysburg high school buildings next Tuesday evening, November 10, at 7:45 o'clock.

This course in farm repair work, which is one of the Rural War Production courses sponsored by the Department of Public Instruction, will run for seven weeks with class sessions each Tuesday and Thursday evening. Elmer H. Schriver, supervisor of the vocational agriculture department at the high school, will be the teacher.

Work Important
Farmers attending the class will have an opportunity to overhaul and paint such implements as mowers, harrows, corn planters, discs, cultivators, rollers, plows and other farm implements. "Because of the small amount of new farm equipment that will be manufactured this year, it makes it more important than ever to recondition farm machinery and prepare now for next season's work," Mr. Schriver pointed out. "The farmers' time is very valuable and he can't afford to take time out to repair farm machinery next spring," he added.

In addition to farm machinery repair work in the classes, other farm shop jobs will be taught, such as hot and cold metal work, welding, soldering, harness repair, tool sharpening, tempering, construction of poultry equipment and other types of farm shop work.

There will be no cost to the members of the class excepting for the price of new parts and materials to be used in the shop repair work. "We urge interested farmers to attend this course and avail themselves of its opportunities," Mr. Schriver said.

LOAD OF APPLES DUMPED IN CREEK

A stake-body trailer loaded with 300 bushels of apples bound for Biglerville broke loose from the truck tractor, when a connecting pin sheared off, and the big trailer with its cargo dropped off a bridge at Eicholtz's mill in The Narrows about 6:30 o'clock this morning spilling the apples into the creek.

Robert L. Spiden, 21, Chambersburg, the driver of the vehicle which was owned by Stewart Wachter of Lebanon, was unhurt. Damage to the trailer and the loss of its load totaled several hundred dollars. It was estimated by Private R. H. Bruce of the Gettysburg detail of the state motor police, who investigated.

The apples were reported to have been some of those which spilled from a big storage building at Chambersburg on Sunday when a side of the structure gave way.

Many Apples Lost When Wall Crashes

Chambersburg, Nov. 3 (AP)—A brick and concrete wall on the five-story Chambersburg Ice and Cold Storage company building collapsed Sunday and D. Edward Long, president, said the weight of more than 240,000 bushels of apples stored in the structure caused the accident.

The debris hit the side of a frame house, Mrs. Daisy Hehl, who was sleeping in the home, escaped injury but suffered from shock.

Long estimated damage to the building at \$10,000 and said nearly 25,000 bushels of apples which fell through the opening probably could not be salvaged.

Apples on the third floor belong to the C. H. Musselman company of Biglerville, and those on the fourth and fifth floors to the Knoke corporation, which has a cannery in Chambersburg.

From where I sit . . .
by Joe Marsh

THAD PHIBBS' house got struck by lightning a couple of nights ago. The kitchen chimney was knocked off and the roof set on fire, and Thad found things pretty lively and exciting for a spell.

The fire was seen out though, thanks to the prompt and efficient work of the local fire department, as the paper says . . . and I never seen a man so grateful as Thad.

Chief Ed Carey was sort of embarrassed, I guess, by the thanks that was been heaped on him.

"That's all right, Mr. Phibbs," he says. "That's all right, sir—that's what you pay taxes for."

From where I sit, I'd say Chief Ed's remark seems to have a lesson in it . . . a lesson on the way that taxes come down in mighty real benefits to the people.

Take the taxes on beer, for instance—more than 2½ billion dollars, I hear, figuring federal, state and local, in the nine years since beer's been back.

There was a time—remember—when a lot of that money went into the pockets of bootleggers and

Some goes, for example, to pay for the things Uncle Sam needs to fight the war with . . . for tanks and ships and bombers.

Quite a lot goes for things like public health, and education, and good roads and the like.

And some of it, I surmise, has gone to support the fire company that gave Thad such good service the other night.

To moderate folks, who like a friendly glass of beer now and then, there's a sort of satisfaction in knowing that right now this beverage of moderation is furnishin' the public treasuries well over a million dollars every single day.

That's quite a lot of money—especially nowadays when Uncle Sam needs every cent he can get hold of.

NBC—7:45, early returns; three-minute summaries at half-hour intervals; roundup at 11:15; further returns thereafter.

CBS—Regular 6:45 and 8:55 news spots, special half-hours at 9:30 and 10:30, other periods from 11:15 on.

Blue—Two-minute summaries approximately every half-hour beginning at 9; regular commentators and newscasters.

MBS—Starting at approximately 8 and continuing through the night; schedule, mainly of dance music, so arranged as to be easily interrupted. Regular commentator to be heard.

The networks intend to stay on the air after their usual signoff times.
